RE: Wetlands Bureau Complaint File #2000-01396, Edgewater Drive, Gilford
Administrative Fine No. AF 2002-012

Dear Mr. Bourgeois:

The Department of Environmental Services ("DES") is conducting a systematic review of its open administrative fine cases. On March 7, 2002, the DES Water Division ("Division") issued Notice of Proposed Fine No. AF 02-012 to you proposing to impose fines totaling \$2,000 for installing two pilings and two jet ski lifts without a permit on the shoreline of Lake Winnepesaukee, identified as Lot 64 on Gilford Tax Map 217. Because these pilings were removed, and because of the lack of any prior violations by you on record with DES, DES is hereby notifying you that Administrative Fine No. AF 02-012 has been administratively closed without findings.

Thank you for your attention to this matter. If you have any questions, please do not hesitate to contact Mary Ann Tilton of the Wetlands Bureau at (603) 271-2147.

Sincerely,
